

W.T. RICH COMPANY, INC.

Re: Angier Elementary School
Subject: Notice of Intent for Exterior Site Utility Underground

April 2, 2015

Dear Neighbor,

W.T. Rich Company, Inc. presently under contract with the City of Newton is intending to commence again on exterior site utility underground work at the property located at 1697 Beacon Street, Waban, MA.

The purpose of this letter is to inform you of our intentions to perform the exterior site utility underground work at the above referenced address. The site utility underground work is anticipated to start on or about April 8th and last through July 2015. This work will generate vibrations similar to that which was generated in the Fall 2014, and the City will continue its vibration monitoring during this work. All work will be performed during standard hours of operations 7:00AM to 5:00 PM Monday through Friday, except in extraordinary circumstances, per the City of Newton allowable work hours.

Thank you for your time and assistance in this matter. Should you have any questions regarding the regulations for the proposed work, you may contact Newton Public Buildings, Alex Valcarce at (617) 796-1600 or via email at avalcarce@newtonma.gov.

Sincerely,
W. T. RICH COMPANY, INC.

Steven Roman, LEED AP
Senior Project Manager
